Enchant 2.0 by Hilton

Designed with top sleep experts, the Enchant 2.0 features exceptional comfort and durable components on both sides of the mattress.

- Surface-Guard™ antimicrobial fabric treatment kills bacteria on the mattress surface and protects from common allergens
- Premium high-density, pre-compressed, gel-infused foams are found in all layers
- Extra layer of foam in the center third to guard against body impressions
- High-performance, foam-encased edge system to support sitting and sleeping
- Twice-tempered coils maintain ~98% of their height over the life of a mattress set
- Open coil unit is supportive, comfortable, light-weight and easy to handle
- Handles for easier use by the housekeeping staff
- No-skid foundation keeps mattresses in place and helps linens maintain a good tuck

Enchant 2.0 by Hilton

Knit fabric, featuring Surface-Guard antimicrobial treatment for long-term protection.

Cushioning, high-density foams, all pre-compressed and infused with gel to ensure long-term comfort — with layers adhered together to prevent slippage.

Extra foam in the center third to add support and minimize body impressions where guest weight is concentrated.

Two handles on each long side for years of easy lifting.

No-skid foundation top to keep mattress in place while changing linens.

Lightweight open coil unit for easy lifting (on most models).

Twice-tempered coil to provide comfort, support and durability, with ~98% height retention.

Two-sided design that incorporates the same layers of foam and fabric on each side of the mattress, for equal comfort no matter how you flip it.

Foam-encased edge for a fully supportive feel and to ensure that the bed keeps its shape over time.

Hospitality-grade foundation with solid wood construction for a stable feel and durability in hotel environments.
