

FULL SERVICE COLLECTION Paradigm 2.0 by Hilton

The Paradigm 2.0 by Hilton features the legendary support of Sealy Posturepedic[®], with added foam layers for enhanced comfort.

- Surface-Guard[™] antimicrobial fabric treatment kills bacteria on the mattress surface and protects from common allergens
- Chill[™] Technology to promote cool, comfortable sleep
- Premium high-density, pre-compressed, gel-infused foams are found in all layers
- ½" foam in the center third to guard against body impressions
- 2 ½" high-performance, foam-encased edge system
- Heavy gauge, twice-tempered coils maintain ~98% of their height over the life of a mattress set
- Open coil unit is supportive, comfortable, lightweight and easy to handle
- No-skid foundation keeps mattresses in place and helps linens maintain a good tuck
- Handles for easier use by the housekeeping staff

Paradigm 2.0 by Hilton

Knit fabric, featuring Surface-Guard antimicrobial treatment for long-term protection and Chill Technology for cooler sleep.

Cushioning, high-density foams, all pre-compressed and infused with gel to ensure long-term comfort — with layers adhered together to prevent slippage.

Extra foam in the center third to add support and minimize body impressions where guest weight is concentrated.

No-skid foundation top to keep mattress in place while changing linens.

Two handles on each long side for years of easy lifting.

Lightweight open coil unit for easy lifting (on most models).

Twice-tempered coil to provide comfort, support and durability, with ~98% height retention.

Foam-encased edge for a fully supportive feel and to ensure that the bed keeps its shape over time.

Hospitality-grade foundation with solid wood construction for a stable feel and durability in hotel environments.
