

Accelerate by Hilton

The Accelerate by Hilton is made expressly for Tempo properties. Built with Hilton guests in mind to deliver a great sleep experience.

- Surface-Guard™ antimicrobial fabric treatment kills bacteria on the mattress surface and protects from common allergens
- Chill™ Technology to promote cool, comfortable sleep
- Premium high-density, pre-compressed, gel-infused foams in all layers
- ½" foam in the center third to guard against body impressions
- Heavy gauge, twice-tempered encased coils maintain ~98% of their height over the life of a mattress set
- DuraFlex™ Coil Edge System features densely packed coils that surround the edge of the mattress for a solid seating surface, more space to sleep and added durability
- No-skid foundation keeps mattresses in place and helps linens maintain a good tuck
- Handles for easier use by the housekeeping staff

Accelerate by Hilton

Knit fabric, featuring Surface-Guard antimicrobial treatment for long-term protection and Chill Technology for cooler sleep.

Cushioning, high-density foams, all pre-compressed and infused with gel to ensure long-term comfort – with layers adhered together to prevent slippage.

Extra foam in the center third to add support and minimize body impressions where guest weight is concentrated.

No-skid foundation top to keep mattress in place while changing linens.

Two handles on each long side for years of easy lifting.

Twice-tempered, individually encased coils for durability, comfort and support with minimal motion transfer to ensure ~98% height retention.

DuraFlex Coil Edge System features densely packed encased coils that surround the edge of the mattress for a solid seating surface, more space to sleep and added durability.

Hospitality-grade foundation with solid wood construction for a stable feel and durability in hotel environments.
